Portrait Packages

All packages come with a complimentary password protected web gallery and online proofing and print ordering. Your photo shoot can be booked in our studio or at the location of your choice (within reason and with conditions) using our portable equipment. With prior arrangement you can have the services of a make-up artist or stylist onsite to make sure you look your best and simplify your day. Plan to spend two to three hours on a typical session. Bring a friend if you want. They can kick back in our lounge area right next to the action in the studio.

Packages are not limited to a certain number of images at a certain size. To make sure you get what you want with your photos the packages will include a print credit good for any of the products offered on our web site, including shipping. Paper prints use high quality Kodak paper. All prints and print services are fulfilled by our professional printer and shipped directly to you when you're ready to buy.

To book your shoot and reserve a date a \$100 non-refundable deposit is required; and payment in full on the package is required the day of the shoot. Locations within 25 miles of our studio are free of charge, outside of that mileage charges will apply. Services from other vendors (hair, make-up, etc) will be added to the cost of your package. *Please note, I do not provide full resolution copies of any images or proofs on CD. A CD of watermarked, web sized, images is available. J. Kleb Photography retains full copyright to all images.*
